

Initial Evidence Document – Child Custody Case

Prepared Date: 09 May 2026

This document contains the preliminary evidence and supporting information for a child custody dispute case to be submitted to the legal representative and family court for review.

Field	Details
Case Title	Child Custody Dispute After Divorce
Petitioner	Mrs. Sarah Ali
Respondent	Mr. Ahmed Raza
Child Name	Ayesha Ahmed
Child Age	6 Years
Jurisdiction	Lahore Family Court, Punjab
Urgency Level	Medium

Initial Evidence Summary

1. The petitioner has been the primary caregiver of the child since birth.
2. School records show the petitioner listed as the primary guardian.
3. Medical and vaccination records are maintained by the petitioner.
4. The respondent has restricted regular visitation access after the divorce.
5. Witnesses from the neighborhood and family can confirm the petitioner's active role in child upbringing.
6. Photographs and communication records are available to support the claims.

Requested Relief from Court

The petitioner respectfully requests temporary and permanent custody of the child, regular visitation arrangements, and any additional relief deemed appropriate by the court in the best interest of the child.
