

Initial Evidence Document – Father Child Custody Case

Prepared Date: 09 May 2026

This document contains preliminary evidence and supporting details related to a child custody and visitation rights case filed by the biological father before the family court.

Field	Details
Case Title	Father Seeking Child Custody Rights
Petitioner	Mr. Ali Hassan
Respondent	Mrs. Sana Khalid
Child Name	Muhammad Hamza
Child Age	8 Years
Jurisdiction	Lahore Family Court, Punjab
Urgency	Medium

Evidence Summary

1. The petitioner is the biological father and has continuously provided financial support for the child.
2. Bank transfer receipts and expense records are available as proof of child maintenance payments.
3. The petitioner has attempted regular communication and visitation with the child.
4. Messages and call records demonstrate repeated requests for visitation access.
5. The petitioner has stable employment, housing, and financial capability to support the child.
6. School records and witnesses confirm the petitioner's active involvement in the child's upbringing.
7. Photographs and communication history are available as supporting evidence.

Requested Relief

The petitioner respectfully requests shared or permanent custody rights, regular visitation access, and any additional relief considered appropriate by the family court in the best interest of the child.
